

The background is a solid blue color. In the corners, there are decorative geometric patterns made of overlapping triangles and parallelograms in yellow, magenta, and light blue. The top-left and bottom-left corners have larger, more complex patterns, while the top-right and bottom-right corners have smaller, simpler ones.

Planned Spending - 2017 and beyond

- Another \$24 in bank fees for this year
- Ongoing usual expenses
 - \$96/yr bank fees
 - \$120-140/yr Hosting services
- Better HDMI Adapter
 - As we have had some issues connecting speakers' laptops to the projector
 - Price not yet evident, but hopefully < \$100, which is clearly affordable
